

GENERAL ASSIGNMENT CLASSROOMS

Fall 2010 (2010-3)

CHECK OUT OUR CLASSROOM WEBSITE: <http://classrooms.uiowa.edu/>

Assignment of the following rooms will be made by Classroom Scheduling, a division of the Office of the Registrar, on the basis of need and other considerations. Please see our website for full scheduling instructions and regulations.

If facilities other than those contained on this list are shown on the schedule copy as a meeting place, it will be assumed that these are departmental facilities or that arrangements have been made by the requesting department for their use with the controlling department.

Priority for the assignment of these rooms, where it exists, must be exercised at the time of submission of original schedule copy. After that time, all rooms on the list shall be considered available for assignment to any qualified user.

The Seating Capacity column indicates the maximum student seating in the classroom. Some of the general assignment seminar rooms may be expanded in capacity by use of tablet armchairs along perimeter of the room. When this is the case, a notation is indicated in the Expanded Seat Cap column.

The Technology column denotes rooms with audio visual technology, MAC and or Windows PC, etc. A full description can be found at <http://classrooms.uiowa.edu.>
